LEANE RITCHIE

ENROLLED AGENT, FOUNDER AND CEO

Leane Ritchie founded the company in August of 2019. Leane has over 35 years of experience and has worked with thousands of clients over the years with their tax and accounting needs and always strived to create an environment that is fun for both clients and her team—with the ultimate goal of creating something that would provide for her family. That drive is embedded in the culture at Ritchie & Company where we seek to provide great care for our team and their families, knowing that they will in turn, exchange it through services with the same intensity for our clients. That environment has allowed business to grow over the last three years. Leane has been building a solid foundation of team members and we look forward to introducing those team members to our clients and friends as we continue to celebrate our third year in business.
